COPYRIGHT INFORMATION

This file contains an electronically scanned copy of a manuscript in the possession of the Foundation for Medieval Genealogy (FMG).

It is supplied to FMG website users for personal study only. Permission is given to make a single printed copy from the file. It may not be further copied in whole or in part, either by photocopy or electronic means without expression permission from an officer of the FMG.

Please take note that the constituent PDF files are quite large, and may take some time to download depending on your internet connection.

A transcript of the manuscript *Dukedom of Norfolk* by J H Round was published by the FMG in January 2004 its journal *Foundations* **1**(3): 139-154. Any commentaries or corrections to the transcript may be sent to editor@fmg.ac
